

# AARON DAVIS

aarondavis54678@gmail.com · 07507430935

An enthusiastic, dedicated, and versatile young person with an excellent attitude to work. Highly motivated, reliable with experience of working as a software developer. Currently looking to start a career in Junior software developer. I am a very driven and dependable person with an ardent love for information technology. I have worked before in the retail field which has enabled me to become skilled and gain insights into various sale pitch techniques. I am fascinated by change, the unusual, strange and new; this I can be considered as a successful candidate for a career. Keen to learn more, proactively minded, surely will make significant value adds to any team.

## EXPERIENCE

NOV 22 – JAN 6 (2022-2023)

### JD SPORTS (SALE ASSISTANT)

As a member of the team, it will be my responsibility to make sure that every time a customer comes to my store, they get the greatest service possible. By achieving my sales goals and utilizing the in-store tools, I contribute to a productive store team and help to maximize store profitability.

- Provide a warm, sincere, and cordial welcome to every customer.
- Make sure that every time a customer enters the store, they receive the greatest service possible.
- Recognize how the Customer Service Measuring Program operates.
- Make use of the in-store technology to give customers the full variety of products.
- Drive sales while making sure that objectives are met and, where possible, surpassed.
